G C G
I give thanks for the times spent with cousin and kin,

and the best friends that you'll ever find

C G
And for the days of suffering and sadness,
C G
Remember days like this and feeling fine,
C G
And if that doesn't help then my suggestion,
A7 D
Is pour yourself another glass of wine! (More wine!)

G C G
So from the yams and the taters to the pumpkin pie,
G D
and the leftovers for the next day
G
Pour a drink and make a toast
C G
To the ones that cooked the most
D
and give thanks for this Thanksgiving day.

solo (one verse and bridge)

So have a smoke and a drink and we'll finish that pie, and

we'll toast to our host and give cheers! (Here, here!)

And raise a glass and say a prayer
C G
for all the ones we wish were here
G D Em
And give thanks for this Thanksgiving day...

And give thanks for this Thanksgiving day!
